

WE INVITE YOU

Along with the conference, we invite you to participate in an intensive training on information technology and project management "Innovative integrated computer systems in strategic project management".

Business games, teamwork, and discussions on topical problems of project and program management are expected. At the same time, training participants are invited to prepare abstracts by the beginning of the conference. Topics of the abstracts are chosen by each participant.

According to the existing Regulation, according to the results of the training, each participant will receive a corresponding certificate of advanced training in the amount of 30 hours

TERMS OF PARTICIPATION

The registration fee for compensation of expenses for the organization for full-time participation in the conference is **UAH 500**, part-time participation - **UAH 250**.

For foreign participants, the amount of the registration fee will be determined additionally after their application to the organizing committee.

Registration fee includes: rental of premises, maintenance of equipment, stationery, information service, publication of the collection of works, conference program, list of participants, certificate, etc. Costs for catering, accommodation and travel are at the participants' own expense.

Full information about the design with an example can be found at <https://mmp-conf.org/articles>.

The paper can be printed in Ukrainian or English. Organizing Committee reserves the right to: introduce editorial corrections in the texts; to refuse the acceptance of materials (in case of non-compliance with the requirements, topics, lack of information about the authors). Authors of accepted materials will be notified in advance.

The conference program and the collection of conference papers will be given to participants during registration. Each author will receive a collection of papers and an official certificate, which confirms participation in the conference.

Recent materials that have not been published before are accepted.

THE ORGANIZING COMMITTEE PROPOSES:

participants of the conference to take part in the **foreign collective monograph "Innovative integrated computer systems in strategic project management"**, which will be issued by the European publishing house **"Landmark" SIA (Riga, Latvia)** in English with the assignment of **ISBN and DOI**.

To participate in the monograph, it is necessary to send the material to mmpkonf@gmail.com according to the subject of the conference, volume not less than 9 pages. *The deadline is 01.08.2022.*

Materials are accepted in English and Ukrainian.

Estimated cost - 120 UAH/p. with translation.

Additionally we inform you that according to the requirements of the Ministry of Education and Science of Ukraine the lack of a sufficient number of scientific works in the periodicals included in the Scopus or Web of Science databases **can be replaced by publishing a monograph in English** (point II.2..4 of the Procedure for conferring academic titles to scientific and pedagogical workers approved by the Order of the MES of Ukraine of June 14, 2016 № 13 with amendments of 03.03.2017).

Requirements for the design of the materials of the monograph: volume of the article not less than 9 pages; format A4 with 1.5 intervals; font 14 pt Times New Roman; margins for all sides - 25 mm.

The material must have the following structure: Full names of the authors (obligatory in English); article title; abstract in the language of the article (italics); short introduction (1-2 pages); 2-3 paragraphs of equal volume (main part); summary; References (literature in English from 10 sources).

Separately provide information about the authors, e.g.:

Ivanov Ivan (Іванов Іван Іванович) - Doctor of Sciences (Engineering), Professor, Kharkiv National University of Radio Electronics, Professor of the Department, ORCID, email, tel.
