WE INVITE YOU

Along with the Conference, to take part in an intensive training on information technology and project management "**Information systems in project and program management**".

The training will include business games, teamwork, and discussions on current issues of project and program management. At the same time, training participants are encouraged to prepare abstracts before the conference. The topics of the abstracts are chosen by each participant.

According to the existing Regulations, each participant will receive a 30-hour certificate of advanced training based on the results of the training.

TERMS OF PARTICIPATION

The registration fee to compensate the organization costs for personal participation in the conference is **UAH 500**, and for distance participation – **UAH 250.**
For foreign participants, the amount of the registration fee will be determined additionally after application to the organizing committee.

The registration fee includes: rental of premises, equipment maintenance, stationery, information services, publication of the proceedings, conference program, list of participants, certificate, etc.

Conference participants are responsible for their own expenses for meals, accommodation and travel.

Full information on the formatting of papers with an example is available at
https://mmp-conf.org/articles

Papers can be submitted for publication in Ukrainian or English.

The Organizing Committee reserves the right to: make editorial amendments to the texts; reject materials (in case of non-compliance with the requirements, subject matter, lack of information about the authors). Authors of accepted materials will be notified in advance.

The conference program and the conference proceedings will be provided to participants during registration. Each author will receive a collection of papers and an official certificate of participation in the conference.

**Materials of recent research
that have not been published before are accepted**

THE ORGANIZING COMMITTEE OFFERS:

for the participants of the conference to take part in a **foreign collective monograph** on the topic: **"Information systems in project and program management",** which will be published by the European publishing house **"Landmark" SIA (Riga, Latvia)** in English with **ISBN** and **DOI**.

To take part in the monograph, please send an article in accordance with the conference topic of at least 9 pages to the e-mail address mmpkonf@gmail.com *The deadline is August 10, 2023*.

Materials are accepted in English and Ukrainian.

The estimated cost is 120 UAH/page with translation.

In addition, we would like to inform you that in accordance with the requirements of the Ministry of Education and Science of Ukraine, the lack of a sufficient number of scientific papers in periodicals included in the *Scopus or Web of Science* databases **may be replaced by the publication of a monograph in English** (Clause II.2.4 of the Procedure for awarding academic titles to researchers and research and teaching staff, approved by the Order of the Ministry of Education and Science of Ukraine of January 14, 2016, No. 13, as amended on 03.03.2017).

Requirements for the design of monograph materials: the volume of the article is not less than 9 pages; A4 format with 1.5 intervals; font 14 pt Times New Roman; margins on all sides – 25 mm.

The material should have the following structure: Full name of the authors (*necessarily in English*); title of the article; abstract in the language of the article (in italics); brief introduction (1–2 pages); 2–3 paragraphs of equivalent length (main part); conclusions; References (literature in English from 10 sources).

Separately provide information about the authors, for example:
Ivanov Ivan – Doctor of Sciences (Engineering), Professor, Kharkiv National University of Radio Electronics, Professor of the Department, ORCID, e-mail, tel.
